Holly Aney Interview questions:

1. What are your favorite activities to do?

Draw with chalk, swim in the pool, play in splash pad. Make videos with friends, play outside at the playground.

2. What is your favorite time of year?

Fall, Halloween - because of school parade. Winter, Christmas - because of Santa and spending time with family, specifically my cousins

3. What goals do you have?

Reaching legendary on Paper-IO2. Level 20 on My Singing Monster. I want to hold my breath under water for one minute.

4. What did you enjoy learning about this last school year?

Science - I like learning about trees, leaves and seeds.

5. What do you like about summer?

Swimming, 4th of July and no school!

6. Can you tell me about your siblings and family?

My sister Mackenzie loves Pink, Minnie Mouse, and playing with the cat. Mom likes to watch one piece with me. Dad's favorite color is orange and favorite treat is donuts. His favorite animal is cats

7. What is your favorite subject in school and why?

Geography. I love learning about the names, flags and where the countries are located on Earth

8. What is the best and worst part about being a big sister?

Helping and playing with her. The Worst part? Listening to her scream.

9. What do you like to do with your friends?

Make videos, color, play store, make forts, play, "Try not to wake up". My cousin Caleb and I like to spy on people at family functions.

10. What would you like to be when you grow up?

I want to have 3 jobs. I want to be a zoologist, a singer and a sushi chef.

Short Bio:

Holly was born on October 30, 2016. It was an extra special day as it happened to also be her mom's birthday as well. Over the last 8 1/2 years, I've watched Holly grow into the wonderful young girl that she is today. Since day one she has been full of energy, curiosity, and great observation. She has developed many interests over the years that include singing and dancing, geography and world cultures, as well as animals and insects.

She's tried and participated in a few activities like dance class, art class, volleyball, karate, and swimming. She's developed a love for anime and eastern cultures that was introduced to her by her mom and aunt. She actually went to her first Japanese restaurant for her 7th birthday and enjoyed her favorite sushi!

Holly is currently in 3rd grade and has had a great experience each year with her class and teachers. She has been able to participate in many school activities, such as fundraisers, Watchdog, holiday parades, field days, along with many field trips. She has always enjoyed school and has a lot to share with her parents each day.

Holly is a big sister to her sister Mackenzie. Mackenzie was born when Holly was 4 so she has always watched out for her sister and has been a very big help in taking care of her with mom and dad. As Mackenzie has become older, they are able to play more together and she has continued to keep Mackenzie safe and help her parents keep an eye on the youngest sibling. Although they may scream at each other, Holly always makes sure Mackenzie is safe.

Holly is full of many interesting topics and hobbies to discuss and is very excited to be a part of this project.
